What recreational activity, if any, do you feel is missing and should be added to this park or historic site to enhance the visitor experience?

1. Walking tours.
2. I don't have an opinion.
3. Picnic area. Develop the back side of lot with flowers and garden.
4. Adjacent allied program
5. Adjacent allied program
6. Hands on musical activities.
7. Scott Joplin Garden, Performance Art Building that involves children to learn about Scott Joplin music. Also to be taught how to play ragtime music.
8. Fix the live music venue. It is a huge asset.

What infrastructure or amenity, if any, do you feel is missing and should be added to this park or historic site to enhance the visitor experience?

1. Dog park, bicycle rental, public art landscaping or garden. They used to have concerts.
2. I don't have an opinion.
3. Parking
4. Public WIFI, Rosebud cafe and the building is in desperate need of maintenance and restoration. Is it because it is in the city?

Do you have additional comments or suggestions regarding this park or historic site?

1. Thoroughly enjoyed the Scott Joplin ragtime music playing while we visited. Tour guide was excellent telling the history of Scott Joplin's life.
2. This site isn't in the nicest of neighborhoods which detracts from its significance.
3. More spaces for community engagement and more focus on site as a community resource. More emphasis on community history. Greater use of site to promote local cultural innovation.

4. I am excited about the future partnerships, regarding the Scott Joplin State Park.
5. It is a gem. Fix it.

Do you have any comments or suggestions regarding Missouri state parks and historic sites?

1. Make sure they are all handicap accessible. My Mom enjoyed going to Dillard's Mill but was unable to walk. We were able to drive her close to the fence so she could sit & enjoy the view. Recently I returned without her. It has changed & I don't see anyway to get her to the park bench. Guess I should call & ask. Also, I love to hike the park trails. Please keep up with trail markers so we don't get lost. Detailed info on each trail is very helpful in deciding which trail is suitable for each hiker's physical conditions. I enjoy the trails very much & love that it keeps me active as I age. Thanks you for any & all trails. The older I get, the more I need 1-2 mile trails. At times it is hard to find shorter trails like this at state park sites.
2. It appears that state parks does not care for this site. WWe hope that i
